

Your Book • Your Profits • Our Name

Bring your book to life
with the Surrogate Press Publishing Package.

We publish your book, you own the rights and receive *all* the profits.

Publishing Package: One-time charge starting at \$1,550. Price includes book interior design and publishing services.

Book Interior Design Services Included in Package:

- Size and style consultation, based on the theme and content of your manuscript.
- Design and layout of the entire interior of your book.
- Custom stylistic elements including drop caps, page flourishes and ornaments.
- Black and white interior formatting.
- Ten image formatting and placements, (includes graphs and other visual information).
- Two hours of author-requested revisions after initial proof submission.
- A print-ready version of your book set to your printer's specifications.
- Price includes up to 300 manuscript pages, letter-sized, double-spaced, 12-point font.
- Children's books, cookbooks, and picture book design is also available. Contact us for special pricing, katie@surrogatepress.com.

Publishing Services included in package (all under the imprint of Surrogate Press):

- ISBN number registration.
- Library of Congress registration.
- Copyright filing on behalf of the author. The author retains ownership of the copyright and all other book-related licensing.
- Coordination of proofing / printing and eBook creation.
- Barcode for the printed book.
- Createspace and Kindle account set up and upload of finished products for sale on Amazon for paperback books.
- Distribution with IngramSpark for paperback books. (*A small payment processing fee applies.*)
- Print-ready files if working with a traditional printer.
- A listing as part of the Surrogate Press catalog and author page on our website.
- An introductory press release and sales sheet to promote your book.
- Guide for "What's Next" for marketing and selling your book.
- * *Manuscript review and final proofing fees may apply for unapproved manuscripts.*

What you get:

- You hold all the rights to your book and related materials.
- You keep ALL the money from the sales of your book.
- You become a published author with a book that you can promote and sell.
