

Professional interior layouts to enhance the look and success of your book.

We offer fast, detail-oriented, customized layouts for all types of books.

Standard Print Layout Service: \$750

Services Include:

- Size and style consultation, based on the theme and content of your manuscript. Includes font choices for headers and body.
- Design and layout of the entire interior of your book. This includes the title page, copyright page, front matter sections (dedication, acknowledgments, etc.), table of contents, chapter pages, and back matter sections, such as an about the author page. Topic indexing is available at an extra cost.
- Custom stylistic elements including drop caps, page flourishes and ornaments, along with call out text if necessary.
- Black and white formatting. Color formatting available.
- Ten image formatting and placements, (includes graphs and other visual information). Additional image placements available for an extra fee.
- Two hours of author-requested revisions after initial proof submission. Extra time for revisions is available for an additional fee.
- A print-ready version of your book set to your printer's specifications. We are familiar with the guidelines of the popular print-on-demand printing companies such as CreateSpace and Lightning Source.
- Price includes up to 300 manuscript pages, letter-sized, double-spaced, 12-point font. Cost will be \$1.50 per additional manuscript page.
- Children's books, cookbooks, and picture book design is also available. Contact us for pricing, katie@surrogatepress.com.

Additional Layout Services:

- eBook formatting that includes linked table of contents, metadata and other requested hyperlinks: \$400 (if packaged with Standard Formatting, cost is \$150).
- Topic indexing: starting at \$100.
- Interior color design and bleed formatting: estimated by project.
- Utilization of author's cover images and theme to enhance interior: estimated by project and file types.
- Additional image formatting and placement: \$10 per image.
- Editing and proofreading: estimate by manuscript length and type of editing.
- Establishment of CreateSpace and Kindle accounts in your name: \$100.
